Product Features

***SAFE MATERIAL**

- The 100% platinum silicon material, it is FDA approved, BPA-free and PVC-free, healthy life choice for family use;

***WELL-THOUGHT DESIGN**

- Suction lid is made in a way that the corn kernel will pop neatly in the bowl and not all over the place.
- Markings are drawn in the popper to guide users on the quantity of corn kernel to use.

***ENVIRONMENTAL-FRIENDLY AND COST EFFECTIVE**

- There is no microwave popping bag used and thrown away after use
- Save the money as you do not have to spend a fortune to buy bags of readily popped cold popcorn for parties anymore.

The manufacturer offers a lifetime warranty if there is any manufacturing issue with the product.

These popcorn popper are going fast at this price. Add to cart now and enjoy your hot and crisp popcorn in matter of days !

Using Trips

1. Expand -Expand the popper and remove the lid for use
2. Pour-Pour Corn Kernels to line A (1 serving) or B (2 serving) in the popper.
3. Add & Mix -Add oil and salt into it according to your taste and mix well with the corn kernels.
4. Heat-Heat it in microwave for 2.5 to 3.5 mins until popping frequency slows. And you have fresh homemade popcorn instantly.
